

PRODUCT INFORMATION SHEET

Blue 1 Ply Recycled Z-Fold Hand Towel

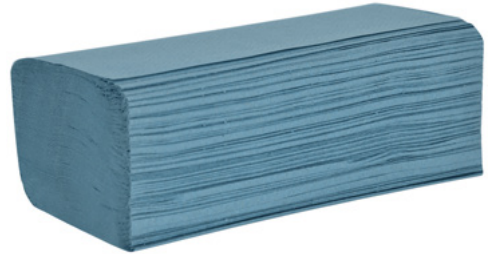

PR6291

A strong and embossed 1ply interleaved z-fold hand towel that is an ideal economical solution for hand drying for almost any environment and volume of traffic. Made with quality recycled fibres, this product is perfectly suited for hand drying back of house and is food contact safe.

- Hand towels are supplied in stacked format and allows for easy refilling of the hand towel dispensing system.
- Towels are interleaved, meaning that they dispense one sheet at a time, so users only touch unused towels, making them a hygienic option for hand drying, whilst also limiting wastage.
- Tissue is self presenting, reducing risk of cross contamination.
- Each sheet measures 230mm x 240mm and supplied in 12 sleeves of 250 sheets per case (3,000 towels).
- Made using quality recycled fibres and is FSC Certified.
- Manufactured in the UK, with CHSA accreditation.

This product is manufactured according to CHSA Soft Tissue Standard. Please note PRISTINE reserves the right to alter specifications without notice.
