Marketing Brand: Scott®

Sub Brand: Control™

Product Title: Scott® Control™ Flushable Folded Hand Towels 6659 - Disposable Paper Towels - 15 Packs x 322 White Paper Hand Towels (4,830 Total)

General Description: Elevate your washroom experience with trusted and familiar Scott® Control™ washroom solutions, designed to support compliance control and help you stop the spread of germs in the workplace. Scott® Control™ Flushable Folded Hand Towels are fast dispersing disposable paper towels made with Safe Flush Technology, ideal for use in areas where hand towels must be flushable or when there is a risk of them being flushed. Unique Airflex™ technology ensures that each lightweight single-ply paper towel is absorbent and strong, so you use less and waste less. The interfold hand towels are designed to dispense one paper hand towel at a time. This single sheet dispensing method is designed to improve hand hygiene by minimising the risk of contamination when hand drying as the user only touches the hand towel they're using. Dispensing one paper towel at a time is also designed to reduce wastage, blockages and refill frequency, providing exceptional cost in use. Scott® Control™ Flushable Folded Hand Towels are compatible with a variety of Kimberly-Clark™ paper towel dispenser options: Aquarius™ folded hand towel dispensers in white (6945) or black (7171), a high capacity dispenser (code 9962) and a high image stainless steel dispenser (code 8971). European Ecolabel and FSC certified for environmental assurance. Food contact certified. Each 1 ply hand towel measures 21.2 cm (L) x 20.0 cm (W).
